Re: Your Massachusetts Public Records Act Request

To Whom It May Concern:

Please accept this response to your request for certain information regarding the Suffolk University Police Department ("SUPD") under the Massachusetts Public Records Act, MGL Chapter 66, Section 10 ("the Act").

As I have informed you in a letter dated February 22, 2018, the Act only applies to public agencies, and Suffolk University, as a private institution (including the SUPD), is not subject to the Act. Accordingly, the University will not be providing you with the information that you have requested under the Act.

Please note, however, that the SUPD public web site includes information related to certain crime statistics. In addition, the SUPD makes its crime log available upon request to members of the public at SUPD offices.

Sincerely,

Thomas Dorer
General Counsel
